## What to Order:

Matt Flegenheimer for The New York Times

Salted pretzel from Noah's Pretzels, available near the stadium entrance behind the left-field foul pole. Doughy on the inside, crispy on the outside and not oversalted like some of its Big Apple brethren, this twisty treat, served in the "W" shape of the team's logo, above, is a true winner at the spanking new digs.

## What to Avoid:

Matt Flegenheimer for The New York Times

Chili dog from Hard Times Cafe. It gets one strike for its crumbly bun, a second for the rubbery beef and a third for the soggy chili. Don't let this dog out.
